Applying for help towards the cost of printing and binding  
of your Ph.D., M.Sc. or M.Litt. thesis

NOTES

1. To the applicant

- You should ask your College Tutor to apply on your behalf, using the attached form.
- Please note that these funds are for Ph.D., M.Sc., and M.Litt. Degree theses only; M.Phil. theses cannot be considered.
- If your sponsorship includes a specific amount sufficient for thesis binding etc., you should not apply. (If you have a Studentship, please refer to your original financial offer letter and show this to your Tutor).
- You should supply receipts if possible for submission by your Tutor.
- Your Tutor will be asked to confirm that you will have experienced financial hardship in meeting these costs; be prepared to make a case to your Tutor.
- If your Tutor's application is successful, a cheque, made out to your College, will be sent to your Tutor.

2. To the Tutor

Please complete the attached form, and make a case for the request for funds from the BGS general fund.

Please note that awards are made only in cases of financial hardship.

The Board of Graduate Studies General Fund cannot find the whole cost of printing and binding, but we are happy to *share costs with the College wherever possible*. If the College is unable to make a contribution because substantial awards have already been made to the student, please indicate this on the form.

Thank you.
