Donald Robertson Travel Fund (for open-air holidays, preferably among mountains)

The Donald Robertson Travel Fund exists to assist undergraduates (graduating BA in 2021 or later, i.e., not those in their final year now, nor those now doing clinical or similar studies) to take strenuous open-air holidays in the Long Vacation, either at home or abroad, preferably among mountains. (Grants to assist holidays not among mountains are rarely given.)

The Trustees regret that the limited funds at their disposal make it impossible for them to award grants to former recipients, or to those who have already graduated BA, or to final-year undergraduates graduating in 2020. Grants are not made to applicants who intend to use the holiday for study, nor does the Fund support large expeditions.

If you would like to apply -

- ⇒ Complete the application form, which can be found on the Forms page of the Queens' website: <https://www.queens.cam.ac.uk/life-at-queens/student-administration/forms> and send to the Secretary of the Fund, Pam Daish, Trinity College (pam.daish@trin.cam.ac.uk) together with plans for the intended holiday, to reach her by **12 noon on Tuesday, 28 April 2020**. (Applications received after 12 noon on 28 April will not be considered).
- ⇒ Ask your tutor to email a short supporting letter direct to pam.daish@trin.cam.ac.uk by Tuesday, 28 April 2020.

Applicants, whose plans seem suitable, will be asked (normally one evening in May) to call on the Trustees for an interview. If you are awarded a grant, the Trustees will expect you to write a report of your holiday (minimum of two pages) giving your impressions of new contacts, scenery and happenings set in a general record of the trip to reach the Secretary of the Fund by Friday, 23 October 2020.

Restricted Subject—Management Studies

Information Evening—

Thursday 27 February 2020, 17.30-18.30.

If you are interested in reading for the MST, you are strongly encouraged to attend the information session taking place in Lecture Theatre 1 at the Judge Business School.

Management Studies is a one-year course that can only be taken by students in their final year of undergraduate study, that is as the third or fourth year of a BA. Potential applicants should consult Prof Bart Lambrecht (bmacl10@cam.ac.uk) the DoS for Management Studies before downloading a change of subject application form, which is available from the Queens' website at: <https://www.queens.cam.ac.uk/current-students/tutorial-information/tutorial-policies/restricted-subjects>

Applications are made through the Tutorial Office (tutorial.secretary@queens.cam.ac.uk) **and should be submitted by noon, Wednesday, 15 April 2020** in the penultimate year of your course. Offers are normally made by the Judge Business School (JBS) in June. The current minimum requirement is a 2:1 in every previous year, with an overall average of at least 64%. While this percentage requirement is an absolute minimum, the required grade to receive an offer may be higher in any given year according to the number of applications and the strength of the applicant field.

Please note that it is the student's responsibility to communicate their examination results to Bella Stewart (b.stewart@jbs.cam.ac.uk) at the Judge Business School.

Students who would normally be expecting to graduate at the end of their third year should also be aware that, due to the timing of offers from the JBS, it will not be possible to graduate in the General Admission Congregation in June. (This is because it will be too late to register by the time you receive a decision, and you cannot apply after graduating.)

Further information is available from the Judge Business School at:
