

Spearing Travel Fund 2020

Undergraduate and Graduate Engineers

The Governing Body has established a fund in memory of Kenneth Spearing as a result of a donation which he made to the College. The purpose of the fund is to promote technical and industrial visits abroad by engineering students which are not part of their normal coursework or research, i.e., students should not apply to this fund to attend a conference or undertake fieldwork as part of their PhD studies.

Grants may be made from the fund to any resident Queens' Undergraduate or Graduate Engineering student.

APPLICATIONS

Applications should be made in writing in the form of a brief justification of the purpose of the visit and an analysis of the costs involved.

DEADLINE FOR APPLICATIONS

Completed applications should be made in writing and sent to the Senior Tutor (via tutorial.secretary@queens.cam.ac.uk) by noon on **Friday, 28 February 2020**
