All printing in College uses the Find_Me service from UIS.

There are Multi-Function Devices (MFD) in the Computer Room, the Library, the JCR Solarium and in the Computer Room at Owlstone Croft.

The College will be supplying the paper, so if the paper runs out over the weekend, the Porters Lodge have the ability to refill the copiers.

Accounts will need to be credited, using the eCredit system, to be able to print to the MFD's, scanning to email and scanning to USB is free.

Instructions for adding credit can be found here;
