These fines shall be applied to such purposes as the Governing Body shall direct.

Any member of the Governing Body shall be entitled to record his dissent. The Governing Body may from time to time alter or repeal any College Order but only at a College Meeting after seven days' notice has been given that the matter is to be raised, and by a majority of the whole Governing Body.

9. No vote may be cast at a College Meeting except by a member of the Governing Body actually present.

6. *Of the Election of the President*

1. When the date of the retirement or resignation of the President is known the Vice-President shall summon a meeting of the Governing Body to be held as soon as is reasonably practicable but not more than six months before the date on which the retirement or resignation is to take effect.

At least fourteen days' notice in writing of this meeting shall be sent to each member of the Governing Body.

At this meeting, at which the President shall not be present, the Governing Body shall, if a two-thirds majority of the whole Governing Body are in favour of doing so, decide to pre-elect to the office of President and shall fix a date for the pre-election. The procedure for election of a President under paragraph 3 of this Statute shall apply in the case of a pre-election. A President who has been pre-elected shall be admitted to office in accordance with paragraph 5 of this Statute as soon as is practicable after the office has been vacated by his predecessor.

2. When the office of President becomes vacant and a successor has not been pre-elected the senior member of the Governing Body then in Cambridge shall call all the members of the Governing Body to meet within seven days of the occurrence of the vacancy. A majority of the members present at this meeting shall fix a date not sooner than seven days or later than five calendar months thereafter for a meeting of the Governing Body to elect a President.

3. The Vice-President on the same day on which the date for election has been fixed in accordance with paragraph 2 of this Statute shall give written notice thereof to all the members of the Governing Body. Whether they receive the said notice or not, the election shall be proceeded with on the day fixed as aforesaid, provided that not less than two-thirds of the Governing Body are present. At the time fixed for the election the Vice-President shall read to the assembled body the following injunction:

"Injungo vobis ut hominem magis idoneum vestro judicio, omni partialitate remota, in praesidentem hujus collegii eligatis, secundum Deum; qui sit homo providus, discretus, competenter literatus in spiritualibus et temporalibus circumspectus, honestate morum, praeclarus, conversationis laudabilis, atque famae redolentis, qui et melius sciverit atque poterit negotia collegii promovere."

After which the Vice-President, and all the members present, one by one, according to seniority, shall record their votes in writing, in this form:

"Ego N. eligo N. ad officium praesidentis hujus collegii."

When the votes have been thus recorded, the Vice-President shall read the votes aloud, and distinctly, in the hearing of all present. And if two-thirds of the whole Governing Body have agreed on a properly qualified person he shall be held elected, and the Vice-President shall forthwith declare the election in this form:

"In nomine Patris et Filii et Spiritus Sancti, ego N., socius hujus collegii, nomine meo et nomine omnium sociorum meorum (sive majoris partis), electum pronuncio N. in praesidentem hujus collegii."

If a two-thirds majority of the whole Governing Body do not agree on one person the meeting shall be adjourned after fixing a date for the adjourned meeting not less than seven days from the original date. Notice of this adjourned meeting shall be sent, in writing, to all members of the Governing Body

not present at the original meeting. Further adjournments may take place as necessary. At an adjourned meeting the procedure for election shall be the same as that at the original meeting.

4. If no election is made before six months have elapsed since the office of President became vacant, the appointment of a President for that vacancy shall devolve on the Visitor.

5. The President-elect shall present himself in the College Chapel, in the presence of the Governing Body, on a day to be appointed by them and shall then make the following promise:

“Do fidem quod officium praesidentis pro tempore meo fideliter geram; statuta, ordinationes, et laudabiles consuetudines hujus collegii, quantum in me est, illaesa observabo; eademque statuta fideliter exequare, vel exequi procurabo.”

When the President elect has made this promise the senior Fellow present shall admit him to the office of President in these words:

“In nomine Patris et Filii et Spiritus Sancti admitto te in praesidentem hujus collegii.”

The President shall then be installed in his seat in the Chapel by the senior Fellow present, who shall hand to him a copy of these Statutes.

7. Of the Stipend and Residence of the President

1. The Stipend of the President shall (subject to any reduction required under [Statute 31](#)) be not less than £1000 per annum and shall be determined from time to time by the Governing Body at a General College Meeting.

2. The President shall reside in the College during two-thirds of each term. Such fine shall be applied to such purposes as the Governing Body shall direct.

3. The President shall be entitled to reside in the President’s Lodge free of rent, rates and taxes. The President’s Lodge shall be kept in good and sufficient repair, both externally and internally, at the expense of the College.

8. Of the Duty and Authority of the President

It shall be the duty of the President to see that the Statutes of the College and the College Orders are duly observed, and he shall impartially enforce or cause to be enforced the said Statutes. In an emergency, not provided for by these Statutes or by College Order, the President shall have power to take such action as the welfare of the College may require.

9. Of the Retirement or Resignation of the President

1. The President shall not continue in office beyond the age of 75.

2. Except as hereinafter provided the President shall retire on whichever date is the latest of the following:

(a) the end of the academic year in which the President attains the age of 65;

(b) the end of the academic year in which the President attains the age of 67 always provided that the President holds a University Office;

(c) the end of the academic year in which falls the fifth anniversary of the admission of the President to the office of President.

3. Subject to the provisions of paragraphs 1 and 2 of this Statute, the President shall be appointed until the end of the academic year in which falls the tenth anniversary of the admission of the President to the office of President.

4. Not less than twelve months nor more than eighteen months before the term of the office of the President will end in accordance with paragraphs 2 and 3 of this Statute, the Vice-President shall summon a meeting of the members of the Governing Body other than the President, to consider whether it is desirable in the interest of the College to continue the President in office or to proceed to an election in accordance with [Statute 6](#). The Governing Body at that meeting may, by a two-thirds majority of the whole Governing Body exclusive of the President, continue the President in Office for such period or periods as they may think fit, subject always to paragraph 1 of this Statute.

5. If at any time, on the application of any four or more members of the Governing Body, it shall be proved to the satisfaction of the Visitor that the President has become incapable of performing the duties of his office, the Visitor shall thereupon authorise the Governing Body to appoint one of the Fellows to act in the place of the President. This appointment shall be made at a General College Meeting. And the Governing Body shall assign to the Fellow so appointed such part, not exceeding one-third, of the annual stipend of the President as they shall think fit.

6. The Fellow who shall, in accordance with the last preceding provision, be appointed to act in the place of the President shall be called the Pro-President. He shall discharge the functions of the President, and shall receive that part of the annual stipend of the President which shall be assigned to him; and so long as he shall hold his office he shall do all things which in these Statutes are appointed to be done by the President, and he shall be bound by paragraph 2 of [Statute 7](#) and by [Statute 10](#).

7. If the President shall at any time within a period of three years after the appointment of a Pro-President again become capable of performing his duties, the Visitor shall on the application of any four or more members of the Governing Body have power to reinstate him in his office and functions, and in receipt of the whole of his emoluments.

8. If after such a period of three years the President be still incapable of performing the duties of his office, he shall ipso facto cease to be President, and the Governing Body shall proceed to the election of a new President under [Statute 6](#).

10. Of the Removal of the President

Repealed by Order of the University Commissioners; see [Part VII of Statute 40](#).

11. Of the Vice-President

The President shall appoint, in writing, from among the members of the Governing Body that Fellow whom he shall think most fit, to be Vice-President, who, in the absence or illness of the President, shall take the place of the President in all things. The Vice-President shall continue to hold office so long as the Governing Body shall think fit, or, in the event of the retirement, resignation, removal, or death of the President who appointed him, until the admission of the new President. In the absence or illness of the Vice-President, the senior member of the Governing Body then in Cambridge shall act in his stead.

12. Of Classes of Fellowship

1. There shall be the following classes of Fellowship:

- A. Official Fellowship.
- B. Professorial Fellowship.

- E. Life Fellowship.

2. *Class A. Official Fellowship.* A Fellowship of this class shall be held only by a person who at the same time holds one or more of the following qualifying offices:

(a) the College offices of Tutor, Senior Bursar, Dean, Steward, Junior Bursar, Praelector, Librarian, Chaplain, College Lecturer;

(b) offices specified from time to time in accordance with the Statutes of the University as university administrative or teaching offices, other than offices which qualify the holder for election to a Professorial Fellowship.

A Fellowship of this class shall be vacated when the holder ceases to hold an office qualifying for the tenure of such Fellowship.

3. *Class B. Professorial Fellowship.* A Fellowship of this class shall be held only by a person qualified in accordance with the Statutes of the University to hold a Professorial Fellowship.

The Governing Body shall have power to re-elect a holder for a further period or periods, so, however, that the tenure of such Fellowship shall not exceed twelve years in total. The number of Fellowships in this class shall be fixed from time to time by the Governing Body by a two-thirds majority of the whole Governing Body.

5. *Class D. Research Fellowship.* A Fellowship of this class shall be held on condition that the holder engages in research. A Fellowship of this class shall be tenable for three years. The Governing Body shall have power to re-elect a holder for a further period or periods, so, however, that the tenure of such a Fellowship shall not exceed six years in total. The number of Fellowships in this class shall be fixed from time to time by the Governing Body by a two-thirds majority of the whole Governing Body.

6. *Class E. Life Fellowship.* The following shall become Life Fellows:

(a) The President on retirement or resignation from the office of President.

(b) A Fellow who has ceased to hold an Official or Professorial Fellowship after having been a Fellow for twenty years in either of these classes or for twenty years partly in one class and partly in the other.

In any particular case by a two-thirds majority of the whole Governing Body, the Governing Body may elect to a Life Fellowship a Fellow who has ceased to hold an Official or Professorial Fellowship after a tenure of less than twenty years.

A Life Fellow shall not be entitled to hold any office or do any act required by these Statutes to be held or done by a Fellow.

13. Of the Election of Fellows

1. From among the persons qualified to hold Fellowships the Governing Body shall elect those persons whom the Governing Body consider best fitted to be Fellows of the College as a place of education, religion, learning and research.

2. When a Fellowship has been vacated, the vacancy shall be announced by the President at the College Meeting next following and the Governing Body shall, subject to paragraph 4 of this Statute, then decide whether the vacancy shall be filled or the Fellowship left vacant. If any question shall arise as to the fact of any Fellowship having become vacant, the same shall be determined by the Governing Body, subject to an appeal to the Visitor.

3. When the Governing Body has decided to fill a vacant Fellowship they shall fix a date for the election.

4. A vacant Fellowship in Class A of [Statute 12](#) when the number of Fellows in that class is below six shall be filled within one year and six months of the date of its becoming vacant unless the Visitor consents to its being left vacant; and if this consent is not forthcoming and the vacancy has not been filled within the year and six months an appointment shall be made by the Visitor. Whenever the number of Fellows in Class B of [Statute 12](#) falls below the quota allotted to the College in accordance with the Statutes of the University it shall be the duty of the President to inform the Vice-Chancellor.

5. The President shall send to every member of the Governing Body written notice of the date fixed by the Governing Body in accordance with paragraph 3 of this Statute for an election. This notice shall be sent at least fourteen days before the day on which the election is to be held.

On the day of the election if a majority of the whole Governing Body are present the election shall proceed in the following manner.

All members of the Governing Body present shall record their votes in writing in the following form:

“Ego N. eligo N. in socium hujus collegii.”

When the votes have been thus recorded, the President shall read the votes aloud, and distinctly, in the hearing of all present. And on whomsoever a majority of the whole Governing Body have agreed he shall be held elected, and the President shall forthwith declare the election in this form:

“Ego N. Praesidens hujus collegii electum pronuncio N. in socium hujus collegii.”

The Fellow-elect shall present himself to the Governing Body in the College Chapel on a day to be appointed by the Governing Body, and shall then receive from the President a copy of the College Statutes and make the following promise:

“Do fidem quod statuta et laudabiles consuetudines hujus collegii, quantum ad me pertinent, illaesa observabo; et juvabo collegium in sanis consiliis et auxiliis ad quemcunque statum in futurum pervenero; et hoc laborabo pro posse meo quamdiu socius fuero.”

When the Fellow-elect has made this promise, he shall kneel before the President, who, holding his hands between his own, shall admit him in these words:

“In nomine Patris et Filii et Spiritus Sancti admitto te in socium hujus collegii.”

6. The Governing Body may, in any special case in which the interests of the College so require, make it at the time of election a condition of the tenure of a Fellowship that the Fellow shall, if called upon so to do within one year from the date of his election, accept some specified College office and

hold it for such time as the Governing Body shall require. On any breach of such condition the Fellowship shall become vacant.

7. Every Fellow who at the time of his election has not taken any Degree qualifying him to be a member of the Senate shall proceed to some degree so qualifying him as soon as he is eligible to do so.

8. Notwithstanding any previous provision of these Statutes, no Fellow (other than an Honorary Fellow) shall retain his Fellowship after his admission to the office of President, or to a Fellowship (other than an Honorary Fellowship) or Headship of any other College in the University of Cambridge or in the University of Oxford.

14. Of the Duties and Rights of Fellows

1. The Governing Body shall have the power to require the holder of any Fellowship under Class A, C, or D of [Statute 12](#) as a condition of tenure of his Fellowship to do College teaching or other College work within the limits permitted by any University regulations applicable to him.

2. Fellows under Class A, C, and D of [Statute 12](#) shall be entitled to rooms in College free of rent, rates, and taxes, and to commons in Hall during term and such portions of the Vacation as may be determined by College Order.

3. Fellows under Class B of [Statute 12](#) shall be entitled to commons in Hall during term and during such portions of the Vacation as may be determined by College Order, and, if the Governing Body so decides, to rooms in College free of rent, rates, and taxes.

4. Fellows under Class E of [Statute 12](#) may be given such privileges in relation to commons in Hall as the Governing Body may decide. The Governing Body, if they consider that it is in the interests of the College, may by a two-thirds majority of the whole Governing Body allow such a Fellow to occupy rooms in College on payment of rent.

15. Of the Emoluments of Fellows

1. Subject to the provisions of paragraph 4 of this Statute Fellowships under Classes A, B and E of [Statute 12](#) shall be non-stipendiary.

2. Fellowships under Classes C and D of [Statute 12](#) shall be stipendiary unless:

(a) the Governing Body in electing to any such Fellowship determine that it shall be non-stipendiary; or

(b) the holder of such a Fellowship signifies in writing to the President his wish to become a non-stipendiary Fellow.

3. The Governing Body shall have power at any time during the tenure of a non-stipendiary Fellowship under Class C or D and of a non-stipendiary Fellowship under Class A by a Fellow to whom the provisions of paragraph 4 of this Statute applies to determine that the holder shall become a stipendiary Fellow.

4. A Fellow under Class A of [Statute 12](#) who was elected to his Fellowship before the first day of January 1966 shall unless:

(a) the Governing Body in electing him to his Fellowship determined that it should be non-stipendiary; or

(b) the holder of such a Fellowship has signified in writing to the President his wish to become a non-stipendiary Fellow, be entitled to a stipend of £50 per annum (subject to any deductions required by [Statute 31](#)).

5. The stipend of a stipendiary Fellow under Class C or D of [Statute 12](#) shall be determined by the Governing Body after taking account of the other emoluments of the holder.

16. Of Honorary Fellows

1. The Governing Body at a College Meeting, held after notice has been given that the matter is to be raised, may by a three-fourths majority of the whole Governing Body elect as Honorary Fellows any persons who are of conspicuous merit, or who have done good service to the State or to the College or to the University.

2. The Governing Body may by a like majority terminate the tenure of an Honorary Fellowship.

3. An Honorary Fellow shall not by virtue of such Fellowship possess any voice or authority in the College, nor be entitled to any emolument. With these exceptions, the Governing Body may grant him such privileges as they think fit.

17. Of the Removal of Fellows

1. If at any time a Fellow shall have been convicted by a court of competent jurisdiction of any serious crime, the President shall as soon as is reasonably possible call a College Meeting. If the fact of conviction be established, and a majority of the whole Governing Body think fit, the President shall pronounce his Fellowship vacant; on which pronouncement the said Fellowship shall forthwith be vacant.

2. If at any time any two members of the Governing Body charge any Fellow before the President with disgraceful conduct rendering him unfit in their judgment to be a Fellow, the President shall as soon as reasonably possible call the members of the Governing Body other than the accused and the Fellows preferring such charge to a College Meeting. The members of the Governing Body so assembled shall inquire into the matter, and shall hear as well the accused person as his accusers. If the meeting decides by a two-thirds majority of the whole Governing Body (less the accused and accusers) that the charge is established, the accused and the accusers not being present at the time of the voting, the President shall, if the meeting by the said majority so determines, pronounce the Fellowship of the accused person vacant; on which pronouncement the said Fellowship shall forthwith be vacant.

3. Subject to the provisions of [paragraph 6\(1\) of Statute 40](#), nothing in this Statute shall apply to members of the academic staff to whom [Statute 40](#) applies.

18. Of the College Offices

1. The College Offices shall be those governed by Statutes [20](#), [21](#), [22](#), [23](#), [24](#), [25](#), [26](#), and [27](#) and such other offices as the Governing Body may from time to time determine.

2. The following College Offices may be held only by members of the Governing Body: Tutor, Senior Bursar, Dean, Steward, Junior Bursar, Praelector, College Lecturer.

19. Of Retirement and Pensions

1. No person shall be appointed to or continue to hold any College Office after July 31st next following his attainment of the age of 65 years unless the Governing Body otherwise decides in accordance with the following paragraph of this Statute.

2. The Governing Body, if they consider that it is in the interests of the College, may by a two-thirds majority extend the above period in the case of any College Office other than that of Tutor or Dean for such period or periods as the Governing Body may determine up to but not beyond July 31st next following the attainment of 70 years.

(4) A member of the academic staff who wishes to appeal against a disciplinary warning shall inform the President within two weeks. An Appeals Committee appointed by the Governing Body shall hear the appeal and the Committee's decision shall be final. If the appeal is allowed, the warning shall be disregarded.

14. – (1) If there has been no satisfactory improvement following a written warning given under paragraph 13, or in any case where it is alleged that conduct or performance may constitute good cause for dismissal or removal from office, a complaint seeking the institution of charges to be heard by a Disciplinary Committee appointed under paragraph 15 may be made to the President.

(2) To enable the President to deal fairly with any complaint brought to his attention under sub-paragraph (1) he shall institute such enquiries (if any) as appear to him to be necessary.

(3) If it appears to the President (whether on receipt of a complaint or otherwise) that there are grounds for believing that the conduct or performance of a member of the academic staff of the College could constitute good cause for dismissal, he shall write to the person concerned inviting comment in writing and may, if he considers that the College might otherwise suffer significant harm, suspend the person concerned from the performance of his duties without loss of emolument.

(4) As soon as may be following the comments (if any) or in any event not later than twenty-eight days after they were invited, the President shall consider the matter in the light of all the available material and may dismiss the matter summarily, or issue a formal warning to the person concerned, or determine that the matter be considered by a Disciplinary Committee appointed under paragraph 15.

15. If the President has determined that the matter should be considered by a Disciplinary Committee, the Governing Body shall at his request appoint such a Committee to hear the charge or charges, to determine whether the conduct or performance of the person concerned constitutes good cause for dismissal or otherwise constitutes a serious complaint relating to his appointment or employment, and to make recommendations concerning the action (if any) to be taken as a result of the Committee's findings. Pending the consideration of such recommendations, the President, after consulting the Governing Body, may suspend the person charged from the performance of his duties without loss of emolument.

16. A Disciplinary Committee shall consist of three persons selected by the Governing Body from a panel of nine persons appointed annually by the Governing Body. The members of the panel shall be Fellows of the College or other persons, being members of the Regent House of the University. In

selecting members of the panel for appointment as members of a Disciplinary Committee, the Governing Body shall exclude the person charged and any person who has been involved in or associated with the making of the complaint or any part of it, or who has been involved in any preliminary hearing or investigation.

17. (1) When a Disciplinary Committee has been appointed, the Governing Body shall instruct a solicitor or other suitable person to formulate a charge or charges and to present, or arrange for the presentation of, the charges before the Disciplinary Committee.

(2) It shall be the duty of the person formulating the charge or charges –

- (a) to forward the charge or charges to the Committee and to the member of the academic staff concerned, together with the other documents therein specified and a list of all witnesses the College proposes to call, with statements containing the evidence they are expected to give; and
- (b) to make any necessary administrative arrangements for the summoning of witnesses, the production of documents and generally for the proper presentation of the case before the Committee.

18. The procedure to be followed in respect of the preparation, hearing, and determination of charges by a Disciplinary Committee shall be prescribed by College Orders made under this Statute. Such College Orders shall ensure:

- (a) that the person charged is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing of charges by a Disciplinary Committee;
- (b) that a charge shall not be determined without an oral hearing at which the person charged and any person appointed to represent him are entitled to be present;
- (c) that witnesses may be called, both on behalf of the person charged and by the person presenting the charge, and may be questioned concerning any relevant evidence;
- (d) that no new witness or documentary evidence may be introduced by the person presenting the charge without the Committee's consent, which shall not be given save for good reason, and that if late introduction is allowed, the member of the academic staff shall be allowed an adjournment sufficient to allow him to consider and respond to the new evidence; and
- (e) that any charge is heard and determined as expeditiously as is reasonably practicable.

19. – (1) The Disciplinary Committee shall send its decision on any charge referred to it (together with its findings of fact and the reasons for its decision regarding that charge and its recommendations, if any, as to the appropriate penalty) to the President, the person charged, the person presenting the charge and any person who shall have been added as a party by the Disciplinary Committee.

(2) The Disciplinary Committee shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of [Part V](#) (Appeals) accompanies each copy of its decision sent to a party to the proceedings under this paragraph.

20. – (1) If the charge or charges are upheld and the Disciplinary Committee finds that the conduct of the person concerned constitutes good cause for dismissal and recommends that he be dismissed, but in no other case, the President, after consulting the Governing Body, shall decide whether or not to dismiss the person concerned.

(2) In any case where the charge or charges are upheld, other than where the President has decided under sub-paragraph (1) to dismiss the person concerned, the action available to the President, after consulting the Governing Body (not comprising a greater penalty than that recommended by the Disciplinary Committee) may be –

- (a) to discuss the issues raised with the person concerned;
- (b) to advise the person concerned about his future conduct; or
- (c) to warn the person concerned; or

- (d) to suspend the member concerned or exclude him from any College premises for such period as the President shall think fair and reasonable, provided that the suspension or exclusion shall not extend beyond three months after the date on which the Governing Body shall have considered the Disciplinary Committee's decision; or
- (e) to take such further or other action under the person's contract of employment or terms of appointment as appears fair and reasonable in all the circumstances of the case; or
- (f) to combine any of the courses of action specified above.

21. – (1) Any reference in paragraph 20 to the President shall include a reference to an officer acting as his delegate.

(2) Any action taken by the President or his delegate shall be confirmed in writing to the member concerned.

PART IV REMOVAL FOR INCAPACITY ON MEDICAL GROUNDS

22. – (1) This Part makes separate provision for the assessment of incapacity on medical grounds as a good cause for dismissal or removal from office.

(2) In this Part references to medical grounds are references to capability assessed by reference to health or any other physical or mental quality.

(3) In this Part references to the appropriate officer are references to the President or an officer acting as his delegate.

(4) References to the member of the academic staff include, in cases where the nature of the alleged incapacity so requires, a responsible relative or friend or other person with authority to act on behalf of that member in addition to (or instead of) that member.

23. – (1) Where it appears to the appropriate officer that the removal of a member of the academic staff on medical grounds should be considered, the appropriate officer –

- (a) shall inform the member accordingly;
- (b) shall notify the member in writing that it is proposed to make an application to the member's doctor for a medical report and shall seek the member's consent in writing in accordance with the requirements of the Access to Medical Reports Act 1988; and
- (c) may suspend the member from the performance of his duties without loss of emolument.

(2) If the member agrees that his removal on those grounds should be considered the College shall meet the reasonable costs of any medical opinion required.

(3) If the member does not agree the appropriate officer shall refer the case in confidence, with any supporting medical and other evidence (including any such evidence submitted by the member), to a Medical Board comprising one person nominated by the Governing Body; one person nominated by the member concerned or, in default of the latter nomination, by the President; and a medically qualified chairman jointly agreed by the Governing Body and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.

(4) The procedure to be followed in respect of the preparation, hearing, and determination of a case by a Medical Board shall be prescribed by College Orders made under this paragraph. Such College Orders shall ensure:

- (a) that the member concerned is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing by the Board;
- (b) that a case shall not be determined without an oral hearing at which the member's representative, but not the member himself, is entitled to be present;
- (c) that witnesses may be called and questioned concerning any relevant evidence; and

- (d) that the case is heard and determined as expeditiously as is reasonably practicable.
- (5) The Medical Board may require the member concerned to undergo medical examination at the College's expense.
24. If the Medical Board determines that the member should be required to retire on medical grounds, the appropriate officer, after consulting the Governing Body, may terminate the employment of the member concerned on those medical grounds.

PART V APPEALS

25. This Part establishes procedures for hearing and determining appeals by members of the academic staff who are dismissed or under notice of dismissal or who are otherwise disciplined.

26. – (1) This Part applies –

- (a) to appeals against the decisions of the Governing Body as the appropriate body (or of a delegate of that body) to dismiss in the exercise of its powers under [Part II](#);
- (b) to appeals arising in any proceedings, or out of any decision reached, under [Part III](#) other than appeals under paragraph 13 (Appeals against disciplinary warnings);
- (c) to appeals against dismissal otherwise than in pursuance of [Part II](#) or [Part III](#);
- (d) to appeals against disciplinary decisions otherwise than in pursuance of [Part III](#);
- (e) to appeals against decisions reached under [Part IV](#); and
- (f) to appeals arising in any proceedings, or out of any decision reached, under [Part VII](#), including appeals against decisions reached in pursuance of paragraph 47;

and “appeal” and “appellant” shall be construed accordingly.

(2) No appeal shall however lie against –

- (a) a decision of the appropriate body under paragraph 10;
- (b) the findings of fact of a Disciplinary Committee under [Part III](#), or of a Tribunal under [Part VII](#) save where, with the consent of the person or persons hearing the appeal, fresh evidence is called on behalf of the appellant at that hearing;
- (c) any medical finding by a Medical Board set up under paragraph 23(3) save where, with the consent of the person or persons appointed, fresh evidence is called on behalf of the appellant at that hearing.

(3) In this Part references to “the person appointed” are references to the person appointed by the Governing Body under paragraph 29 to hear and determine the relevant appeal.

(4) The parties to an appeal shall be the appellant and the President and any other person added as a party at the direction of the person appointed.

27. A member of the academic staff may institute an appeal by serving on the President, within the time allowed under paragraph 28, notice in writing setting out the grounds of the appeal.

28. – (1) A notice of appeal shall be served within twenty-eight days of the date on which the document recording the decision appealed from was sent to the appellant or such longer period, if any, as the person appointed may determine under sub-paragraph (3).

(2) The President shall bring any notice of appeal received (and the date when it was served) to the attention of the Governing Body and shall inform the appellant that he has done so.

(3) Where the notice of appeal was served on the President outside the twenty-eight day period the person appointed under paragraph 29 shall not permit the appeal to proceed unless he considers that justice and fairness so require in the circumstances of the case.

29. – (1) Where an appeal is commenced under this Part the appeal shall, subject to the provisions of paragraph 28(3) and sub-paragraph (3) of this paragraph, be heard and determined by a person appointed by the governing Body in accordance with College Orders made under this paragraph.

(2) A person appointed under sub-paragraph (1) above shall be a person who holds or has held judicial office or who is a barrister or solicitor of at least ten years' standing.

(3) The person appointed shall sit alone unless he considers that justice and fairness will best be served by sitting as an Appeal Tribunal with two other persons appointed in accordance with College Orders made under this paragraph.

(4) The other persons who may sit with the person appointed shall be –

- (a) one member of the Regent House of the University not being a Fellow of the College; and
- (b) one other person whether or not a member of the Regent House but not being a Fellow of the College.

30. – (1) The procedure to be followed in respect of the preparation, consolidation, hearing and determination of appeals shall be that set out in College Orders made under this paragraph.

(2) Without prejudice to the generality of the foregoing such College Orders shall ensure –

- (a) that an appellant is entitled to be represented by another person, whether such person be legally qualified or not, in connection with and at any hearing of his appeal;
- (b) that an appeal shall not be determined without an oral hearing at which the appellant, and any person appointed by him to represent him are entitled to be present and, with the consent of the person or persons hearing the appeal, to call witnesses;
- (c) that full and sufficient provision is made for postponements, adjournments, dismissal of the appeal for want of prosecution and for the correction of accidental errors; and
- (d) that the person appointed may set appropriate time limits for each stage (including the hearing itself) to the intent that any appeal shall be heard and determined as expeditiously as reasonably practicable.

(3) The person or persons hearing the appeal may allow or dismiss an appeal in whole or in part and, without prejudice to the foregoing, may –

- (a) remit an appeal from a decision under [Part II](#) to the Governing Body as the appropriate body (or any issue arising in the course of such an appeal) for further consideration as the person or persons hearing the appeal may direct; or
- (b) remit an appeal arising under [Part III](#) for re-hearing by a differently constituted Disciplinary Committee to be appointed under that Part; or
- (c) remit an appeal from a decision of the appropriate officer under [part IV](#) for further consideration as the person or persons hearing the appeal may direct; or
- (d) remit an appeal by the President arising under [Part VII](#) for re-hearing or reconsideration by the same or by a differently constituted Tribunal to be appointed under that Part; or
- (e) substitute any lesser alternative penalty that would have been open to the President following the finding by the Disciplinary Committee which heard and pronounced upon the original charge or charges.

31. The person appointed shall send the reasoned decision on any appeal together with any findings of fact different from those come to by the Governing Body as the appropriate body under [Part II](#) or by the Disciplinary Committee under [Part III](#), as the case may be, to the President and to the parties to the appeal.

PART VI GRIEVANCE PROCEDURES

32. The aim of this Part is to settle or redress individual grievances promptly, fairly and so far as may be, within the relevant area by methods acceptable to all parties.

33. The grievances to which this part applies are ones by members of the academic staff concerning their appointments or employment where those grievances relate –

- (a) to matters affecting themselves as individuals; or
- (b) to matters affecting their personal dealings or relationships with any other staff of the College,

not being matters for which express provision is made elsewhere in this Statute.

34. – (1) If other remedies within the relevant area have been exhausted the member of the academic staff may raise the matter with the President.

(2) If it appears to the President that the matter has been finally determined under [Part III](#), [IV](#) and [V](#) or that the grievance is trivial or invalid, he may dismiss it summarily, or take no action upon it. If it so appears to the President he shall inform the member.

(3) If the President is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of) –

- (a) a complaint under [Part III](#);
- (b) a determination under [Part IV](#); or
- (c) an appeal under [Part V](#)

he shall defer action upon it under this Part until the relevant complaint, determination or appeal has been heard or the time for instituting it has passed and he shall notify the member accordingly.

(4) If the President does not reject the complaint under sub-paragraph (2) or if he does not defer action upon it under sub-paragraph (3) he shall decide whether it would be appropriate, having regard to the interests of justice and fairness, for him to seek to dispose of it informally. If he so decides he shall notify the member and proceed accordingly.

35. If the grievance has not been disposed of informally under paragraph 34(4), the President shall refer the matter to a Grievance Committee for consideration.

36. A Grievance Committee shall comprise three Fellows of the College appointed by the Governing Body.

37. The procedure in connection with the consideration and determination of grievances shall be determined in College Orders in such a way as to ensure that the aggrieved person and any person against whom the grievance lies shall have the right to be heard at a hearing and to be accompanied by a friend or representative.

38. The Committee shall inform the Governing Body whether the grievance is or is not well-founded and if it is well-founded the Committee shall make such proposals for the redress of the grievance as it sees fit.

PART VII REMOVAL OF THE PRESIDENT FROM OFFICE

39. Any three members of the Governing Body may make a complaint to the Vice-President seeking the removal of the President from office for good cause.

40. The Vice-President shall refer such a complaint to the Governing Body, exclusive of the President and the members making the complaint. If it appears to the Governing Body that the complaint is not supported by sufficient evidence of good cause for the removal of the President from office, or that it is trivial or invalid or unjustified, they may determine that no further action shall be taken upon it.

41. If it appears to the Governing Body, on material presented, that the complaint is supported by sufficient evidence of good cause for the removal of the President from office, they shall appoint a Tribunal to hear and determine the matter. A Tribunal appointed by the Governing Body shall consist of three persons who are not Fellows of the College and are not employed by the College, as follows:

- (a) one person who holds, or has held, judicial office, or who is a barrister or solicitor of at least ten years' standing, who shall be Chairman;
- (b) two other persons.

42. A complaint referred to the Tribunal shall be dealt with in accordance with the procedure prescribed in paragraphs 17, 18, 30 and 31 provided that the Vice-President shall perform any duty and exercise any power there assigned to the President, and that for the purposes of this Part references in those paragraphs to a Disciplinary Committee shall be construed as referring to the Tribunal, and references in paragraphs 30 and 31 to [Part III](#) shall be construed as referring to this Part.

43. The Tribunal shall send its decision on the complaint, together with its findings of fact and the reasons for its decision, to the President and the Vice-President. The Tribunal shall draw attention to the period of time within which any appeal should be instituted by ensuring that a copy of [Part V of this Statute](#) accompanies the notification of its decision sent to the President.

44. If the Tribunal finds that the complaint constitutes good cause for dismissal, the Vice-President, after consulting the Governing Body, may dismiss the President.

45. The President may institute an appeal against the findings of a Tribunal by serving on the Vice-President a notice in writing setting out the grounds of the appeal. A notice of appeal shall be served within twenty-eight days of the date on which the document recording the decision appealed from was sent to the President, provided that the person appointed to hear an appeal shall have power to hear an appeal submitted after that date if he considers that justice and fairness so require in the circumstances of the case.

46. An appeal commenced under paragraph 45 shall be heard in accordance with the provisions of [Part V of this Statute](#), provided that the Vice-President shall perform any duty and exercise any power there assigned to the President.

47. For the purpose of the removal of the President for incapacity on medical grounds, the provisions of [Part IV](#) and [Part V](#) shall have effect, provided that the Vice-President shall perform any duty or exercise any power there assigned to the President.

48. For the purposes of this Part, references to the Vice-President shall, if the Vice-President is not in residence, or is incapacitated by illness or otherwise, be construed as referring to the senior Fellow in residence.
