Firerack and connecting to the College Network.

When connecting to the College network for the first time, you may see the following window, whether it be with a wire or wireless.

We suggest you choose Work, then click close.

You should follow the instructions to configure your network settings before proceeding.

You will see a yellow warning triangle over your network icon in the taskbar, it will disappear once you have registered on the College network.

Open a web browser and try to navigate to a web page, your session should be intercepted and you will see the following page.

Google Chrome users may have to refresh the page several times.

If the redirect does not work, manually enter the following, https://register.queens.cam.ac.uk

For new students, click on the Freshers icon, IF YOU HAVE NOT picked up your password.

You will see the following screen and will require the following information,

Your CRSid / University ID (if already known) or you surname / family name Your Date of Birth

Your student registration number / Board of Graduates number.

You will see a second screen detailing the information required, and then you will see the following screen after you have clicked continue.

New User Signup
From this point on, it is important that you shut down the browser before walking away from the computer you are using. If you eave the browser running, others may be able to see your identifying data and/or password.
Note: if you already know your UCS identifier (aka CRSid), you can type it instead of your name in the box below.
Please type your surname (or CRSid)
date of birth / Jan V/
and admissions or registration code
Search Cancel
Possible sources of admissions or registration codes are listed on the Previous page.
© 2015 University of Cambridge Computing Service nformation provided by user-admin@ucs.cam.ac.uk.

Enter the information, agree to the terms and conditions, then write down the password **CAREFULLY**, to reset it will require a visit to the IT Office with ID or a visit to the University reception with ID.

Return to this page to continue

Now click on the Raven icon.

Enter your user id and password, then click Login.

Here you see Registration summary page.
