

THE SQUASH FUND

Squash at Queens' is, once again, on the rise!

After being promoted from Division Two in Michaelmas Term 2022, the "A" team were crowned Division One champions in Easter Term, having won all of their matches this year.

We are building on great traditions: Queens' has had 17 Squash Blues since the 1950s and we dominated the University scene in the 1960s. We have also had a British Champion, Phil Ayton (1965).

Ellie White (2020) is the current Captain of Queens' Squash Club and President of Cambridge University Squash Club. Ellie plays at the highest level within the University, competing for the men's teams in Cambridgeshire League matches. She also led the Cambridge women's team to an impressive victory over Oxford in the Varsity match back in February.

We hope to build on this momentum to make squash more accessible, provide equipment for everyone, and help players enjoy and improve their game by raising **£100,000** to create an endowed Squash Fund at Queens'. The Fellow Patron of the Squash Club will administer these funds annually.

For further information about supporting *The Squash Fund* please contact Ms Hannah Badger at development@queens.cam.ac.uk or [visit our website](#).

We are most grateful for your consideration.
