

QUEENS' COLLEGE

CHANGE OF ADDRESS.

It would be of great service to the College if members of the Club would kindly inform the College Office of any changes of their permanent addresses.

The College would welcome any corrections of this record, and any material for next year, especially from abroad. These should be addressed to The Praelector, Queens' College.

The dates given after the names of members of the College refer to their B.A. degrees. (s) indicates a former scholar of the College.

AMALGAMATED CLUBS, ETC.

Rowing. Captain, A. T. A. Wallace. Secretary, A. G. R. Mooring. In the Lents our three boats lost one, gained three, and lost two places respectively, and we are now twelfth on the river. In the Mays we did well. Our first boat got three bumps and rose to the eleventh place, while our second boat gained one place and then lost it. Our boat was justified in going to Henley, where it met a very good boat in the second round and was beaten by two lengths.

Cricket. Captain, H. J. Hobbins. Secretary, J. D. Foster. We were not as strong as last year, but though fewer matches were won we usually avoided defeat. We have a promising batsman in A. B. Habibullah.

Rugby Football. Captain, J. D. Hodgkinson. Secretary, A. H. Watkins. Our first XV won five matches and lost seven. In the cup-ties we were beaten by Emmanuel, who eventually reached the final. But our second XV won eleven out of thirteen matches; our third XV showed distinct improvement on last season; and we had sixty playing members.

Association Football. Captain, J. M. B. Wolfe. Secretary, A. H. Head. We were unfortunate not to be promoted to the first division, since after the first fortnight of term we were undefeated until we met Pembroke in the semi-final of the Knock-out. The death of M. A. Watts, our best player, was a great loss.

Hockey. Captain, T. L. Rowan. Secretary, D. R. R. Pocock. We suffered rather a collapse, descending into the second division as a result of the Knock-outs. But we ran four XI's throughout the season. T. E. Rowan continued his career as a Blue, gained his International cap, and was elected Captain of the University XI; J. D. Hodgkinson also gained his Blue; and H. J. Hobbins played for the Wanderers.

Athletics. We met Peterhouse, the ultimate winners, in the first round of Inter-college Contests, and were defeated. W. H. Buchanan, our President, obtained a Cross-country Half-blue, and P. Norton, Achilles colours.

Lawn Tennis. Our first pair, T. L. Rowan and J. Batstone, won most of their matches. The second and third pairs were often unsuccessful, but won enough games to save us from relegation.

Lacrosse. This year a Lacrosse Club was formed in the College, and played several matches with other colleges. J. H. J. Crosse and F. G. Moult obtained Half-blues.

Chess. The Club had a successful season, winning a large proportion of its matches, and M. Black was elected President of the University Chess Club.

QUEENS' HOUSE IN ROTHERHITHE.

Mr Copestake is to be warmly congratulated on putting the two houses which comprise the club premises into thorough repair, and bringing the drainage system up to modern standards. He has completed the decoration of the Chapel in the House, and it is now a place of a really devotional atmosphere. And all this work has been carried through by funds which he collected privately. The numbers of boys are not at present as large as we could wish, partly owing to his illness and absence in the spring.

We regret to announce that he feels he must leave Rotherhithe this autumn. Our best wishes go with him, and our lasting gratitude for his unsparing devotion. He is to be succeeded by the Rev. E. M. Vanston. Mr Vanston, who is an Old Marlburian, is devoted to slum-work, and has been signally successful with boys.

Owing to Mr Copestake's illness, it was decided that the Queens' House boys should go to camp, last August, with the Dean's Troop of Cambridge Scouts. Their numbers were small, but they contributed not a little, under the lead of A.S.M. F. Bostock, to the success of the camp, in wonderful weather.

QUEENS' COLLEGE CLUB.

During the year a notice of the Club's existence was sent to non-resident members of the College, with the gratifying result that by June 15, 1929, 110 new members had joined, bringing the total of membership up to 684. Circulars were also sent out inviting subscriptions, of not more than a guinea, towards a presentation to the Rev. Canon J. H. Gray, Vice-President, on the attainment of his jubilee as a Fellow. The response to this appeal was widespread and resulted in a sum of £180.

About half of this sum was spent on the purchase of two large clocks, both of which were presented to Canon Gray, but one of which he gave to the Combination Room, as a memorial

of his happy association with his colleagues of the Governing Body. A cheque for the balance was handed to him.

The annual meeting was held in the Combination Room on June 15, at 7 p.m., the Vice-President in the chair, in the much-regretted absence of the President. It was decided to invest £150. Messrs. J. D. Best, A. M. Mitchell, R. G. C. Paterson and A. D. Browne were re-elected to serve on the Committee till 1933. Archdeacon Farmiloe then read the address which accompanied the presentation of the gifts to Canon Gray, and made the presentation. Canon Gray replied in a short, but highly appreciated, speech.

The annual dinner was then held in Hall. The toast of the Club was proposed by Capt. F. G. Harvey (1920) and the reply was made by Archdeacon Farmiloe (1886). The toast of the College, coupled with the name of the Vice-President, was proposed, in a very happy speech, by General Temperley, C.M.G., D.S.O. (1899). Canon Gray's reply aroused much enthusiasm, laughter, and applause.

There was a record attendance of 107, including the Fellows, Mr Regan (Hon. Fellow), the Archdeacon of Sudbury, General Temperley, Capt. Harvey, Principal Oman, Drs Robinson and Whittle, Prof. Reilly, Messrs Atkinson, Barford, Best, Binnie, Boorman, Braine, Brewer, Butler, Canny, C. A.
