**This year's Giving Day saw an increase in the average gift of £89, for which we are truly grateful. Funds raised this year are already helping to support the Queens' community, and we look forward to providing further updates throughout the year.**

**We're excited to build on this momentum as *Bridge to the Future* continues over the next decade.**

**Regular giving and legacy giving are different ways of supporting Queens', but they share the same purpose: helping to ensure that the College continues to thrive for generations to come.**

## Support Queens' today

# Join The 1448 Society

**Regular giving is one of the simplest ways to support Queens' and its students. By giving regularly, you provide a reliable source of income that helps the College respond to students' needs, create opportunities, and invest in the community that we share.**

Regular gifts are a steady, consistent, reliable stream that helps us keep College running smoothly and supporting future projects.

### Every gift counts

The 1448 Society brings together members of our community who choose to make a regular gift to the College.

You will also receive an exclusive 1448 lapel pin when you commit to a regular gift.

**Your regular gift can make a difference to Queens' today, and help us build a stronger College for tomorrow.**

## Help shape Queens' future

# Join The Sundial Circle

**The College we know today has been shaped by generations of people who believed in its future. A legacy gift is an opportunity to become part of that story.**

By remembering Queens' in your will, you can help future generations of students to benefit from the opportunities, community, and experience that make College life so special.

A legacy gift can be a deeply personal expression of what Queens' has meant to you. It can also be one of the most enduring ways to support its future.

The Sundial Circle brings together those who have chosen to leave a gift to the College in their will.

By leaving a gift in your will, you can help the College continue its story for generations to come.

As a thank you for your commitment to Queens', you will receive an exclusive Sundial Circle lapel pin.

Members of the **1448 Society** and **The Sundial Circle** will also:

- Join exclusive Zoom webinars with members of the Queens' community
- Receive an invitation to our annual garden party in the President's Garden
- Connect with fellow members and stay closer to College life

If you are interested in starting a regular gift or remembering Queens' in your will, you can contact the team at **development@queens.cam.ac.uk**

# Bridge to the Future

## Investing in opportunity since 1448

BRIDGE TO THE FUTURE

**This year, we launched our *Bridge to the Future* campaign – a ten-year effort to raise £60 million to advance intellectual ambition, create inspiring spaces, and strengthen the unrestricted support that underpins everything we do here at Queens'.**

**Investing in people. Investing in places.**
We are building the foundations for a future of excellence and opportunity for people of all backgrounds, in spaces that inspire and minds that lead.

### INSPIRING PLACES

**Creating spaces that support people, learning, and belonging**

# Owlstone Croft

BRIDGE TO THE FUTURE

**Our most immediate priority is completing Owlstone Croft. Help us to complete the project by making a kind donation today.**

As you will have read in *The Bridge*, we are over halfway through the radical re-development at Owlstone Croft.

The project is creating 13 new terrace houses with a total of 60 new student rooms, while making the existing site fully wheelchair accessible and helping to decarbonise the estate.

A minimum **£12m** is still required to complete this transformational project.

# Alumni Survey: Results at a Glance

**This year, thousands of Queens' alumni shared their experiences, memories and hopes for the future through our Alumni Survey. We were delighted to receive 2,358 responses, representing alumni from matriculation years 1948 to 2025.**

**Thank you to everyone who took the time to tell us what Queens' means to you.**

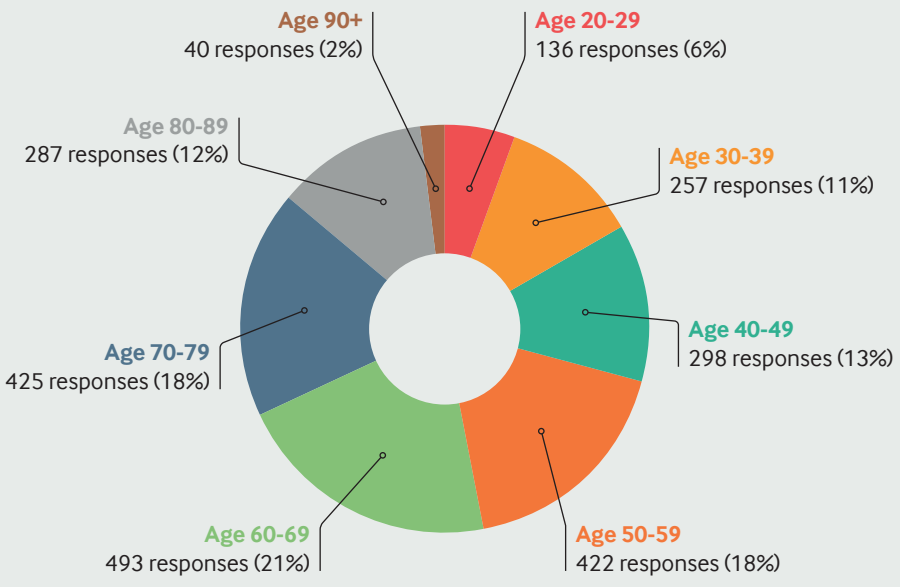

One of the clearest messages was the desire to remain part of a lifelong Queens' community – through friendships, events, mentoring, sharing expertise and supporting the College's future.

We were particularly encouraged that 55% of respondents said they already support Queens', are likely to donate, or would consider making a donation in the future, while 170 alumni expressed an interest in leaving a gift to Queens' in their Will.

Every form of support makes a difference. Gifts to Queens' help us invest in our students, our buildings and the future of the College, while the *Bridge to the Future Campaign* is bringing our community together to help create a lasting legacy for generations to come.

Whether you give your time, expertise, financial support or simply stay connected, thank you. Your continued involvement helps make Queens' the special community it is today – and helps us build the Queens' of tomorrow.

## Who took part

## Alumni Sentiments

**When asked 'Which of these sentiments best reflect your experience of Queens'?',**

**97%**
**of respondents had positive sentiments towards the College.**

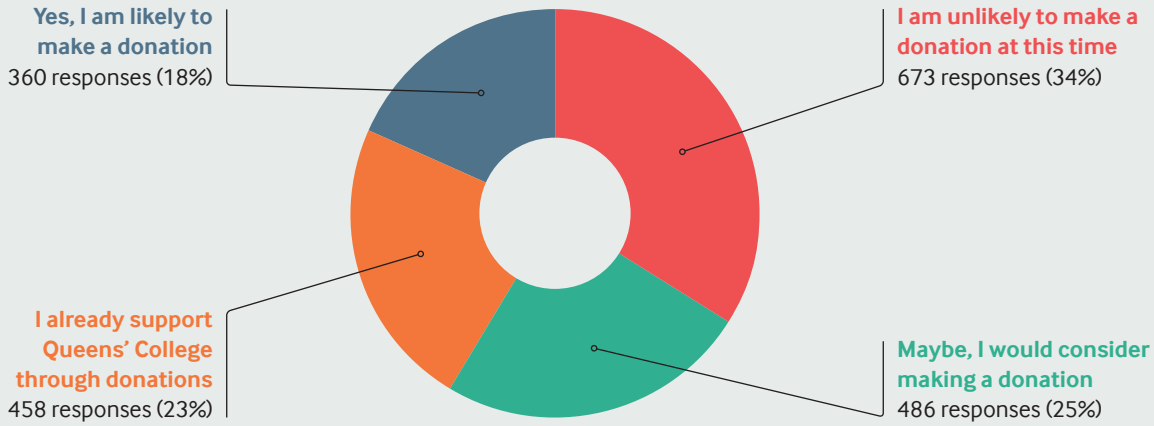

**52%**
**agreed that Queens' was an excellent place to study.**

**44%**
**said they formed meaningful friendships and connections at Queens'.**

**44%**
**selected that they feel proud to be associated with Queens.**

## Donor Potential

**How likely are you to support Queens' College through a charitable donation in the future?**

## Communications Summary

**When asked how they like to receive communications from College,** *The Bridge*, *Floreat Domus*, and e-newsletters were by far the most selected routes. Of those who selected '*The Bridge/Floreat Domus*', topics of most interest were:

**76%**
**College news and developments**

**70%**
**Alumni news and achievements**

**58%**
**Research and academic developments**

Going forward, we endeavour to take this into consideration when producing our magazine content.

You can read some of the comments left by alumni completing the survey throughout the Donors to Queens' pages.
